JHM is an open access bi-annual journal sponsored by the Claremont Center for the Mathematical Sciences and published by the Claremont Colleges Library | ISSN 2159-8118 | <http://scholarship.claremont.edu/jhm/>

The editorial staff of JHM works hard to make sure the scholarship disseminated in JHM is accurate and upholds professional ethical guidelines. However the views and opinions expressed in each published manuscript belong exclusively to the individual contributor(s). The publisher and the editors do not endorse or accept responsibility for them. See <https://scholarship.claremont.edu/jhm/policies.html> for more information.

Math Moment

Paige S. Orland

The Siena School, Silver Spring, MD
pidgums@gmail.com

A function that increases at a rate of exponential
That seems to somehow have the potential
Of soaring up to infinity
But once it reaches a certain vicinity
It evens out and is almost simplistic
because this function is logistic
