The Southeastern Historical Keyboard Society

is a non-profit, regional organization committed to the promotion of interest in and the study of early keyboard instruments, principally harpsichord, clavichord, fortepiano, and organ prior to 1860, and the music intended for these instruments.

SEHKS provides a forum for all aspects of early keyboard music through its meetings and publications. Membership is open to all interested persons, including performers, builders, musicologists, educators, composers, and enthusiasts.

Activities of the organization include the following.

- ❖ **Annual Conclaves** offer concerts, lectures, demonstrations, and exhibits of instruments and music.
- ❖ **Publications** consist of a semiannual *Newsletter* and the *Early Keyboard Journal*. Published jointly by SEHKS and the Midwestern Historical Keyboard Society, the Journal includes scholarly papers, book reviews, a catalogue of antique keyboard instruments in the Southeast, and an early keyboard bibliography.
- ❖ **Competitions** encourage young performers (harpsichord performance competition) and generate interest in new compositions for the harpsichord (Aliénor Awards).
