JHM is an open access bi-annual journal sponsored by the Claremont Center for the Mathematical Sciences and published by the Claremont Colleges Library | ISSN 2159-8118 | http://scholarship.claremont.edu/jhm/

The editorial staff of JHM works hard to make sure the scholarship disseminated in JHM is accurate and upholds professional ethical guidelines. However the views and opinions expressed in each published manuscript belong exclusively to the individual contributor(s). The publisher and the editors do not endorse or accept responsibility for them. See https://scholarship.claremont.edu/jhm/policies.html for more information.
An algorithm for counting the hair on your head

Eli Barr
elibarr1227@gmail.com

1) Choose a hair on your head.
2) Ask yourself: “Is this the only hair on my head?”
   if yes, you have one hair on your head.
   if no, remove the hair from your head.
3) Repeat step one.
