JHM is an open access bi-annual journal sponsored by the Claremont Center for the Mathematical Sciences and published by the Claremont Colleges Library | ISSN 2159-8118 | http://scholarship.claremont.edu/jhm/

The editorial staff of JHM works hard to make sure the scholarship disseminated in JHM is accurate and upholds professional ethical guidelines. However the views and opinions expressed in each published manuscript belong exclusively to the individual contributor(s). The publisher and the editors do not endorse or accept responsibility for them. See https://scholarship.claremont.edu/jhm/policies.html for more information.
This book will achieve its purpose when there are fingerprints on every page.

The purpose of this book is for you to never know about the fingerprints.

You saw me buy the book. Every word is made more delicious by your frantic cryptanalysis guesses.

You can’t even infer that I learned that new word by finding it on page X because you saw me buy those books of hard crossword puzzles.

You even know I already own too many books to finish them all.
