A review of the classification of the genus Hydraxis (Ranunculaceae)
Carl S. Keener 551

Laboulbeniales on semi-aquatic Heteroptera. VI. The genus Tavaresiella
Richard K. Benjamin 559

Reviewers of manuscripts

Index to Volume 13, Aliso

The name of the journal, Aliso, is the word used by the early Californians for the sycamore (Platanus racemosa), a tree associated with the Rancho Santa Ana Botanic Garden. In other areas Aliso refers to the alder (Alnus sp.).
