Early Morning Mathematics Classes

Angelina Schenck

`schen314@umn.edu`

A
New
World
Opens with
Each stroke of
Hagoromo across
A clean blackboard.
Tired faces regain life
At each fresh mark, eyes
Widening to the wonders of
Mathematics. An equation seen
In a new light, a question formed,
A newfound passion is awakened as
The chalk wears and the clock ticks by.
Just think of all the possibilities at the start
Of a new class, a fresh piece of chalk in hand.
