This Letter was published online on 1 August 2008 with the omission of EPAPS reference citations in the text and an EPAPS reference in the reference list. Reference 31 should be added and read as “[31] See EPAPS Document No. E-PRLTAO-101-032832 for details of the dimer particle synthesis, and explicit calculations of dislocation separation energies. For more information on EPAPS, see <http://www.aip.org/pubservs/epaps.html>.” Reference citations have been inserted after “supplementary materials” on pages 1 and 4. The references have been added as of 1 October 2008. The text is incorrect in the printed version of the journal.
