Yeisi, This is fine to change the access for Ernica Sanon's thesis.

Hello Kelly,

Yeisi from the Claremont Colleges Library needs your consent so that my thesis can be changed to open access.
Please let me know if this would be possible.

Hi Emica,

That shouldn't be a problem but I will need permission from the Scripps Registrar before I make any changes to your thesis. Could you please email your request to the registrar: registrar@scrippscollege.edu (you can cc me)? Once I get the all clear from them, I will be happy to make the change.

Best,

Yeisi

Document Type

Hello,

Is it possible to change the document type for a thesis that was already posted?
It is currently a "Campus only senior thesis" and I wanted to change it to an "Open Access Senior Thesis" if possible.

Sincerely,

Ernica Sanon
