Invitation to Authors

Essays, book reviews, syllabi, and letters are welcome. Your essay should have a title, your name and address, and a brief summary of content. In addition, your telephone number and e-mail address (not for publication) would be helpful.

If possible, avoid footnotes; put references and bibliography at the end of the text, using a consistent style. Please also put all figures on separate sheets of paper at the end of the text, with annotations as to where you would like them to fit within the text; these should be original photographs, or drawn in dark ink. These figures can later be returned to you if you so desire.

Two copies of the paper, double-spaced and preferably laser-printed, should be sent to:

Prof. Alvin White
Humanistic Mathematics Network Journal
Harvey Mudd College
Claremont, CA 91711

Essays and other communication may also be transmitted by electronic mail to the editor at AWHITE@HMC.EDU, or faxed to (909) 621-8366. The editor may be contacted at (909) 621-8867 if you have further questions.

The *HMN Journal* uses the programs Microsoft Word and PageMaker for the Macintosh. If you use either of these programs to prepare your paper, it would be very helpful to us if you send a copy of your file on diskette along with the printed copies of the paper.
